Private Practice Experience Optical Assistant

A fantastic opportunity has arisen for a motivated student to join a dedicated small team in a modern and progressive independent optometry practice.

Canterbury Eye Care is a vibrant optometry practice situated in beautiful Maling Road, Canterbury and set amongst the quaint historic shopping district. The practice caters for the eyecare needs of patients that are at the upper end of the market and has a loyal, friendly client base which is rapidly expanding.

This is an ideal opportunity to practice and improve your dispensing and interpersonal skills in providing a top class service and assistance to our patients.

Retail, fashion and product knowledge, service and computer skills will provide you with a rewarding experience in this full-scope practice. Only those able to work on Saturday morning and occasional holidays need apply.

Send applications to:
